

Model: BA-LIX

Premium Xenon Light Bars

PRODUCT DESCRIPTION

Perfect for optimal undercabinet lighting in today's luxury homes and fine retailers, Premium Line Voltage Light Bars feature energy efficient xenon lamps, steel construction, frosted borosilicate glass lenses and individual reflectors for true white light that can be dimmed with standard incandescent dimmers. No transformer needed.

FEATURES

- Frosted borosilicate glass lenses for true white light
- Individual reflectors
- A low-profile (1") body that fits into most niches.
- On center spacing of lamps is maintained when two light bars are joined together
- Built in hi/lo setting
- Dimmable with standard incandescent dimmers
- No transformer required
- Steel construction

SPECIFICATIONS

Materials: Formed steel body and cover plate with an abrasion resistant paint finish. Three internal high efficiency bent reflectors (one above each lamp). Frosted glass lenses attached to cover plate. High-low-off switch. Supplied with all mounting hardware and one BX/non-metallic sheathed cable adaptor for installation convenience.

Lamp: 120V Xenon Bi-pin included

Finish: Bronze (BB), Satin Nickel (SN) and White (WT) powder coat paint.

Standards: UL & CUL Listed.
